*In the webdoc, we fly over the landscapes of Martinique, Andrea's island. Here are some useful words for describing Martinique's landscapes ... and many others!*

### How to say it

Here are a few expressions using landscape words.

**C'est pas la mer à boire** = it's not completely impossible!

**Y'a pas le feu au lac** = we're in no rush

**On ne va pas en faire une montagne** = let's not argue over something like this

### Did you know?

Every summer, between 20 July and 20 August, the banks of the Seine are turned into ... a beach!

**plage.**

This is called **Paris**
